Description

The DT 860 is an open-back headphone delivering a true and powerful sound. Due to an extremely strong neodymium magnet system the DT 860 features a detailed reproduction with smooth highs, balanced mids and a powerful bass response. No matter if you are into pop, classical, jazz or soul. The 90° swivelling ear-cups and softer yet sturdy materials for the headband and the ear pads ensure outstanding levels of comfort. The fold-away design makes it easy to store and transport.

The DT 860 is still manufactured in Germany providing an excellent quality.
